

Ms. Anuradha R. U.P Section Head

"With a positive attitude it is possible to turn situations of failure into success."

—Dan Miller

Maintaining a positive attitude toward peers, parents, teachers and everyone else and expressing appreciation for their guidance and care is extremely important for students. It is similar to holding a key that unlocks numerous opportunities. When students approach teachers with respect and enthusiasm, it creates an engaging learning environment that fosters meaningful interactions and support.

Similarly, cultivating positive relationships with peers builds a sense of camaraderie and teamwork. A good attitude towards classmates creates an atmosphere of mutual respect, which makes joint projects more enjoyable and productive.

A positive attitude towards parents strengthens the parent-child bond. It expresses appreciation for their guidance and care, improves communication and understanding within the family.

Moreover, a good attitude towards anyone reflects their character. Valuing and respecting everyone, regardless of their role, fosters a culture of inclusiveness and kindness. This not only enriches personal contacts, but also opens the door to unexpected opportunities.

Ultimately, a positive approach to everything not only affects relationships, but also shapes the overall student experience and creates an environment where learning, growth, and meaningful connections thrive.

NOVEMBER 14 - CHILDREN'S DAY

Children's Day at our school on November 14 was a blast! L.P and U.P teachers surprised us with their lively dances, full of colour and glitter. High School teachers also joined in with their vibrant dance moves. Plus Two Section impressed everyone with a fantastic skit that was both innovative and hilarious. The crowd erupted with cheers, and our favourite teachers received a well-deserved round of applause. It was a perfect celebration that left everyone smiling in high spirits. All the children were in their colourful best and enjoyed themselves. Our CEO, Mr. P.N. Unnirajan, dressed as Chachaji on the occasion. The School Executive Committee distributed sweets to everyone. Founder Principal, Ms. Nalini Chandran and the President of the Committee, Mr. T.G. Chandrakumar, graced the occasion.

Editorial

Mrs. Deepthi Menon Executive Director

Dear Hari Sri friends,
Kerala Piravi Day was celebrated with gusto on the 1st of November. The highlight of the month of November is always the Children's Day celebration and it was no different this year. Our teachers from all the sections put in their hearts and souls to entertain our children on Chacha Nehru's birthday. The children were also privileged to have an interactive session with Sri. Vasudev Ravi (IFS), Deputy Secretary (PR), Ministry of External Affairs. He enlightened them on the G20 Summit, resulting in a flurry of queries. The U.P. Section At Home function was well received by the parents and the audience. The teachers and the students cemented their bond by participating in football and throwball matches together. It is amazing to see how the year has flown by!

VISIT TO THE AGRICULTURAL UNIVERSITY AT MANNUTHY

The students of Class XII Biology, accompanied by Ms. Sreelekha S.P and Ms. Dhanya were taken to Kerala Agricultural University, Vellanikkara, Mannuthy, on the 6th of November to visit the Bio-technology Centre. We got to see the various methods of bio-technology and practical knowledge about them. Through this we developed a clear understanding about the topics we are learning. We also got a good explanation about the methods from a guide who accompanied us in the centre. We visited the Cocoa Research Centre and learned about how varieties of cocoa are commercially produced. We tasted special chocolates made by them. Then we visited the Mushroom Culturing Centre, where we learned about how different kinds of mushrooms are cultured. This visit helped us to gain practical knowledge and was a very good learning experience for all of us.

DEPUTY SECRETARY (MINISTRY OF EXTERNAL AFFAIRS) VISITED THE SCHOOL AND INTERACTED WITH OUR CHILDREN

IFS Officer Sri Vasudev Ravi (IFS), Deputy Secretary (PR), Ministry of External Affairs, visited the school. He enlightened the children on the G20 Summit. The students, all enthusiastic, asked him several questions through which they learnt the significance of a civil servant to our nation. He spoke to the children about the experiences he had gained through his designation in different countries. This great opportunity, set by our Principal Ms. Preetha Venugopal and the Executive Director, Ms. Deepti Menon, has proved to be very fruitful, especially for those who look forward to writing the UPSC Examination in the near future.

U.P 'AT HOME'

The U.P 'At Home' was conducted on 1st November, 2023. Various cultural programmes were conducted by the 5th, 6th and 7th standard students. The ceremony started with a prayer by Anaswara V. of Class VI. The anchors for the day were Raziya Muskaan Sheriff and Liya Cicily Paul of Class VII. The theme for the 'At Home' was 'Breaking the Barriers'. The show started with a beautiful classical performance. It was followed by an English Skit based on discovering one's talents and using opportunities to succeed in life. Next we had a melodious performance by the Group Song team. It was really soothing to our ears. The contemporary dance was filled with flair and beauty. It was the story of a girl who had to face and overcome the difficult situations of life. We had a classical performance which told the tale of Bhima, the great warrior. The audience was awestruck after this amazing performance. The English Poetry in Motion was about a girl who was abused and teased by everyone and who, finally, found someone to give her courage and determination to stand on her own feet. Our last performance was the Malayalam Poetry in Motion. The audience was left teary-eyed after this show which was on a family, who lost their girl child to human traffickers. It was a stunning and realistic performance. Mathew Antony of Class VII gave the vote of thanks as the participants lined upon the stage. It was a great day filled with exhilaration and emotion.

NATIONAL CONSTITUTION DAY AWARENESS

In honor of the Indian Constitution, the Supreme Law of the Land, 26th November is celebrated as Constitution day. In Hari Sri Vidya Nidhi, the Humanities stream took up the initiative to spread knowledge and interest. A quiz competition based on the Constitution was organized by the Plus Two Section while the Plus One Section took to creating a replica of the Preamble, the heart and soul of the Constitution. The significance of the Constitution was successfully imparted to the students. Our efforts would have gone in vain if not for the guidance of our teachers. We are truly grateful to them.

-Saron Satheesh Menon

TEACHERS v/s BOYS (CAPTAINS) (FOOTBALL)

At our school, the school captains recently faced the teachers in an intense football match. The game was challenging, with both sides earning equal points. The match concluded in a tie. However, the teachers secured a victory with the winning of a coin toss. The crowd that had gathered to watch the match was allowed to stay even after the bell rang. The enthusiasm was so contagious that some students continued watching from their classroom windows after returning to class.

Teachers v/s Children Football Match - Teachers standing with the winners' trophy along with the school authorities.

TEACHERS v/s GIRLS (CAPTAINS) (THROWBALL)

In the recently hosted throwball match between the teachers and the school captains, the teachers surprised everyone with their unexpected skills. The first set saw a triumph for the teachers. However, the captains made a strong comeback, securing victory in the second set. The final moments were intense, but ultimately, the teachers emerged as the overall winners. The excitement was palpable, with both participants and onlookers caught up in the thrill of the match, creating a memorable experience for everyone involved.

CISCE (UNDER 19) NATIONAL FOOTBALL CHAMPIONSHIP

The CISCE (Under 19) National Football Championship was held at Bhubhaneswar, Odisha. Mohammed Laazim and John Chungath were selected in the Kerala team. Team Coach: Mr. Vipin P.V. Hari Sri team were the Runners-up in the tournament.

CISCE (UNDER 17) NATIONAL FOOTBALL CHAMPIONSHIP

The CISCE (Under 17) National Football Championship was held at Thiruvananthapuram. Astille Pappu John, Antony Abraham and Isaac Abraham Bobby were selected to the Kerala team. Hari Sri team were the Runners-up in the tournament.

Children's Day fun!

All children shout hooray!
For today is Children's Day.
Children here, children there,
Children playing everywhere.
We gather from lands far and near,
We are children of the world.
With love and friendship and lots of cheer,
Watch out, world, we're here to wipe every tear.
So, hand in hand we'll set the world right,
Step by step we'll make everything bright

Aleya Mary Jeffin,
