

Mrs. Nalini Chandran
Founder Principal and erstwhile Director

Dear Hari Sri Family,
It gives me great pleasure to see the school functioning as normal after two years of uncertainty. Seeing the children back in large numbers, playing in the ground and participating in the school activities gives me immense pleasure. I have no doubt that the teachers and the non-teaching staff are also happy to be doing what they do best.

As the new session unfolds, my prayers and blessings are with all of you. Let us strive to create an atmosphere of happiness and fulfillment in which our children get to enjoy their time in school, along with academics, co-curricular activities and sports, all of which are equally important to develop personalities and mindsets.

As always, let us keep the triangle of child, parent and teacher in mind and work hand-in-hand for the good of the school.

Let me reiterate our school slogan which must always be kept in mind - "Let the peal of harmony be the appeal of all religions."

God bless you all!
Nalini Valliamma

Mr. T.G. Chandrakumar
President, Hari Sri Vidya Nidhi Trust

It gives me immense pleasure to witness the physical reopening of school after two years of online classes due to the prevalence of COVID-19.

As the new session begins, I would like to wish the Hari Sri family all the very best! May your endeavours be fruitful and your achievements substantial! As the President of the Hari Sri Executive Committee, I would like to take this opportunity to assure you we will all work together to make this session a fruitful and fulfilling one!

God be with us all!

Mrs. Preetha Venugopal
Principal

Transition periods can be extremely demanding in every aspect. So it was, in the past six months, when the school shifted from the online to the physical mode of education. In spite of all the difficulties, this has also been a period of learning and adaptation to the new norms.

Though we have identified learning gaps in children, we have also observed an increased zest for learning, socialising and working as a team.

As the principal, I am aware of the hurdles that the school might have to face during this period. But I believe that these hurdles go a long way in strengthening the spirit and morale of the team in future.

The Hari Sri team has planned out various literary, sports, academic and co-curricular activities to be held, spanning the whole academic year.

We hope to slowly bridge the learning gaps and put the school back on track after the pandemic.

May God help us in all our endeavours!

BACK TO NATURE

WORLD ENVIRONMENT DAY

Children 'wow' to GO GREEN

The Sustainability Club and Social Club members in Hari Sri Vidya Nidhi School, Punkunnam, Thrissur, put up wonderful and meaningful skits. "Nature is neither mine nor yours, but ours" was the slogan for the day. The skit by the junior section was based on recycling and reuse of domestic waste. The Class XII students through their graceful steps showcased the importance of preserving Nature. A drawing and painting competition was conducted on the same theme and selected entries were exhibited.

Executive Director Ms. Deepti Menon and Principal Ms. Preetha Venugopal spoke about the significance of the day, self care and the need to take steps to preserve Mother Nature.

The more you read, the more things you will know.
 The more you learn, the more places you will go.
 To mark the importance of reading in one's life and to inculcate the reading habit in children, Hari Sri Vidya Nidhi organised a week long programme from 19th June to 24th June, 2022 through various activities.

The celebration started off with an interactive session with Plus Two, High School & UP by Ms. Maya Krishnan based on the story "Naranathu Branthan" where he teaches us about the frivolity of life and the futility of concentrating on future pleasures.

For the L.P Section, Ms. Chinju Ratheesh pointed out the relevance of working hard to attain success in life through the beautiful story of a butterfly.

Skits were performed by all the four sections. Famous characters - Harry Potter, Cinderella, Akbar & Birbal etc. came alive before the little ones.

UP section watched an extract from the autobiography of V.T Bhattathiripad (Kanneerum Kinavum) organised by Uma Miss.

The High School and Plus Two sections presented portions of the skits 'Ummachu' and Sudha Murthy's 'Dollar Bahu' respectively.

The Executive Director, Ms. Deepti Menon, and the Principal, Ms. Preetha Venugopal, provided insights on the importance of reading to add colour to one's life.
