Humility is the solid foundation of all virtues. It is a quality that instils trust and respect. A person with humility listens to and accepts others. Humility is when you accept that your success is not entirely from your effort.

As students it helps to seek guidance from others. Humility is necessary for learning from a guru.

Humility is not thinking less of yourself, it is thinking of yourself less. It takes the focus from 'I' to 'we'.

It paves the way to self awareness and self reflection which are crucial for personal growth. When you are humble you are open to learning, acknowledging your limitations and accepting feedback from others. According to Indian culture, humility is the first among the twenty virtues that comprises wisdom. Dr Abdul Kalam considered humility as a powerful force that fosters growth, builds strong relationships and enables learning.

How is humility developed? All you need to do is listen to others, practise mindfulness, and be grateful for what you have.

Humility makes a person happier and creates positive emotions and well-being.

The prayer, 'Loka samastah sukhino bhavanthu', the essence of which is 'May all beings be happy and free, and may the thoughts, words and actions of my own life contribute in some way to the happiness and freedom of all' is the best example of humility.

**75th REPUBLIC DAY CELEBRATION**

The day unfolded with a prayer, setting the tone for a memorable event. A majestic March Past followed, highlighting the unity and diversity of our school. Our Chief Guest Ms. Preetha Venugopal, received the distinguished Guard of Honour by the four houses. In a moment of pride the Principal unfurled the National Flag along with the School Captain, Marina Lucy Leon, and the Physical Education Head, Mr. Dileep Williams. The School Choir stirred our patriotic spirit with the National Anthem. Continuing the solemnity of the occasion, the School Captain took the oath, symbolising our commitment to the values of our nation. Ms. Nithya Sidharthan, the teacher representative, spoke eloquently about the significance of Republic Day. The Plus Two Section representative, Saron S. Menon, addressed the audience in English, while the High School representative, Ann Eapen John, recited a beautiful Malayalam poem. Adding another layer of inclusivity, the UP Section representative Vaiga Jayakrishnan delivered a speech in Hindi, truly embodying the spirit of unity in diversity. This ceremony was not just a celebration, but also a platform to recognise excellence. The ISC and ICSE school toppers of the previous year were honoured, along with this year's National Sports' participants. The winner of the March Past was Kaveri House and Godavari House emerged as the Co-curricular Overall Champions. As the event drew to a close, ISC and ICSE representatives, Vrindha Nair and Arthana Sankar respectively, expressed gratitude to our dedicated teachers. The choir, with its melodious tunes, kept the energy level high, resonating the pride we feel for our nation.

Patriotic fervour, unfurling the National Flag, the March Past and informative speeches - all these mark the significance of Republic Day on the 26th of January. This year too, it was no different. The four houses marched with flair to the familiar tune of Colonel Bogey. This year Hari Sri was proud to present nine National Sports winners in different sports categories. Prizes were also presented to the student toppers in all four sections, as well as to the best house (Marching) and the overall champions, house wise. Sports Day was held on the 27th of January where the final events in athletics were held, and trophies given to the winners. It was a spirited and well attended event. January is also the precursor month to the Board Exams that start in February. May we shower warm wishes and blessings on the children of Class X and Class XII who are preparing for their final exams!

The March Past winners: Kaveri House Captains, receive the trophy from the Administrator, Ms. Jayashree Parameswaran

On the 27th of January, 2024, Hari Sri Vidya Nidhi School organised the Sports Day for the year 2023-'24. The Annual Sports Day embodies the zeal, talents and spirit of the students and encourages them to refine their talents and achieve greater heights.

The event commenced with the arrival of our Chief Guest, Mrs. Preetha Venugopal. It started with a March Past by the four houses of the school, led by their captains. The school flag was then hoisted with utmost honour and glory. An oath was taken by the Sports Captain promising to respect the regulations and to participate in the true spirit of sportsmanship.

The events of the day started well, with the most special event of the day, a Medley Race, with four members of a team from the four different sections - LP, UP, HS and Plus Two.

The runners ran with surprising speed and agility, keeping the undivided attention of the viewers. This event was followed by the finals of all the other running events like 100m Run, 200m Run and 400m Run, the 4x100m Relay and the 4x400m relay.

The Tug of War is an event which demands brute strength, sheer endurance and excellent team co-ordination. It was definitely the most anticipated event of the day. The competition was between the Alumni students of the school, the parents and the teachers. The entire ground was engulfed in cheers. The teachers won the war after much effort and they received the prize of a bunch of bananas. There was also the 'walk' race with the competitors being the parents of the participants and the teachers.

A strong concluding message of pride and unity was delivered by the final march past for the Closing Ceremony. Administrator, Ms. Jayashree Parameswaran was the Chief Guest for the Closing Ceremony. All the participants of the events marched together as one, regardless of their houses. The award ceremony took place where the most awaited prizes of all, the Individual Championships from each sections, the Runners Up Trophy and the Overall Champions Trophy were awarded.

Athletes assembled on the ground according to their houses during the Sports Meet

Principal Ms. Preetha Venugopal declared the 27th Annual Sports Meet Open on the 27th of January, and hoisted the school flag.

"Beyond Horizons: A Literary Odyssey at Kozhikode Beach"

My memories by Joseph Eapen (XI Sc.)

Presenting a transformative encounter at Kozhikode Beach during the 7th edition of the Kerala Literature Festival. Despite my roots in the scientific realm of grade 11, an irresistible allure drew me into a realm of intellectual discourse and literary brilliance. On January 11th and 12th, I found myself in the company of literary giants, including M. T. Vasudevan Nair, K. Satchidanandan, Perumal Murugan, G. R. Indugopan, K. R. Meera, politician Mani Shankar Iyer, and Malayalam literature luminaries Benyamin and M. Mukundan. M. Mukundan's literary masterpiece, 'Mayyazhippuzhayude Theerangalil,' a fixture in our school curriculum for grades 9 and 10, holds a special place in my heart. Meeting the author in person was akin to stepping into the pages of a beloved book, enriching the words that had already captivated my imagination. Engaging in a delightful dialogue with Benyamin underscored the power of literature to transcend boundaries, fostering connections and understanding. These moments with literary luminaries ignited a passion for the written word, expanding the horizons of my intellectual journey.

The students of 9th grade were taken on their first overnight excursion to Kodaikanal. Everyone reported to school at 5.30 am. As the bus departed, it was just one big dance party till we reached our destination. After a long journey consisting of a few stops for refreshments, we finally reached Kodaikanal by lunchtime. After a nourishing lunch, we headed to the park where we spent an hour playing and capturing moments with laughter and joy. Later we were taken to the lake where we could shop. Some of us rented bicycles for half an hour and went around the lake immersing ourselves completely in the beauty of Kodaikanal. The temperature was very pleasant and added to our enjoyment but this wasn't the case for some of us who spent the day adorned in shawls and sweaters shivering in the cold. As the day progressed we checked into the hotel and got ready for the DJ party and campfire. After warming ourselves for a while, we danced until our legs got sore. After an enjoyable yet exhausting day we returned to our rooms to get a good night's sleep. The next day we were woken up at 5 a.m to freshen up and check out. We visited Moir Point which exposed us to a breathtaking view. We also went to Suicide Point which offered affordable shopping, Guna Caves from where we were mesmerized by the hill ranges, the Pine Forest which gave us a most relaxing environment to collect pine cones and view monkeys in their natural habitats and the Pillar Rocks. It was hard to accept that our excursion was over, but the memories we made on this trip are unforgettable.

Class V. Visit to Seashore, Farm & Nursery, Kakkathuruthy

I have written this report to talk about the splendid trip that we, the 5th graders had. As soon as we got the circular informing us that we would be going on a trip, everybody's face was lit with joy. There was so much excitement in each class. It was planned that we were going to 'Seashore farm', Kakkathuruthy, Irinjalkuda on the 23rd of January. On the day of the trip just after the school assembly, our Headmistress, Suma Miss, briefed us about the rules and wished us to have a wonderful time. We left school at 9.30 am. Every class was occupied in spacious buses. There were constant arguments on who would get breakfast. After five minutes, the music turned on and the bus turned into a dance floor. After reaching the farm, we kept our bags and items in a place and went on all the rides. There was a giant wheel, bumper cars, Spanish bull ride, pedal boats and a spacious park. The rides were soon filled with children and so much laughter, but I believe the best ride was sure to be the bumper cars, with most of the children waiting near the ride. Everyone, especially the teachers, were having a good time. When it was afternoon, we rushed to the dining hall where we were served delicious food and enjoyed an icecream as a dessert afterwards. After lunch, we rushed to the park. There were long slides, seesaws, monkey bars and swings where a contest was held on who could swing the highest. At 4.30, we departed from Seashore Farm, a little unhappy that the trip had ended. But it did not stop us from having one more dance party in the bus. At 6.30, we arrived at school. Overall, I am sure everybody had a whale of a time and got back home with sweet memories of the trip.

Estelle Susan Daison (VA)

We, the students of Class VII, were taken for an excursion to Dreamland Fun and Adventure Park in Adimaly on January 19th, 2024. We started off at 6.30 in the morning from Hari Sri. After dancing for a few hours, we stopped for a quick delicious breakfast. We reached our destination at 10.40 am. The park itself was quite big and we were allowed to go on any ride of our choice. Most of the rides were very adventurous. This included Sky-cycling, Zip lining, a 12D Theatre, a Horror House, a Mirror House, Archery, Free Fall Centre etc. A few of us even stepped out of our comfort zone in the park trying to participate in the rides. After lunch, we had even more fun as the teachers too joined our activities. At 4 pm. we were asked to assemble in the park. The teachers had a surprise for the two children celebrating their birthdays on that day. We cut a birthday cake and wished them a 'Happy Birthday'. Finally at 4.30 or so it was time to head back to Hari Sri. We stopped for a quick dinner at 8 pm and immediately continued our singing and dancing on the way back. We reached Hari Sri at 10 pm. We were all rather shocked on how fast the day went by. We were all sure of the fact that we would never forget this trip.
